BEST Summer EVER

BONITA SPRINGS YMCA
YMCA OF SOUTHWEST FLORIDA

A LETTER FROM OUR PRESIDENT & CEO

Dear Summer Camp Families,

Thank you for choosing YMCA of Southwest Florida for your child's summer day camp experience! You have given your child a wonderful gift – the opportunity to learn new skills, develop meaningful friendships and discover their potential.

Our goal is to nurture the strengths and abilities of every child and to find unique and creative ways to help them explore and develop their potential.

We will introduce children to as many new experiences as possible and help each child feel confident and secure in a fun camp environment. This year, we are continuing to increase and enhance our summer camp offerings through specialty and traditional camps to ensure there is a camp for every child to thrive. We are dedicated to building strong kids to be a part of a strong community.

Summer is my favorite time of year at the Y! I love watching our campers participate in games, activities, sports, specialty classes, sing songs and form lifelong bonds. We are looking forward to a safe and exciting summer that instills confidence in your child and creates memories that will last a lifetime.

**Thank you for choosing
YMCA of Southwest Florida!**

Sincerely,

Gene T. Jones
President and CEO

SUMMER CAMP CATEGORIES

Some camp categories are not available at all locations.

TRADITIONAL CAMPS

Traditional Camps are a great option for the first time camper, the camper with too many interests to choose just one and the experienced camper that has been looking forward to seeing their camp friends all school year long! In Traditional Camp, campers enjoy all of the best that camp has to offer; everything from arts & crafts to wellness & exercise (don't worry—it's disguised as active group games!), and don't forget about science experiments, possible cooking projects or field trips, swimming and much more. Traditional Camp activities follow a central theme that changes each session so each time a camper comes in they are learning and experiencing new things. If you're looking for a fun, well-rounded experience for your camper, Traditional Camp is the one for you!

STEAM CAMPS

Immerse your camper in the exciting realms of Science, Technology, Engineering, Arts, and Mathematics (STEAM) with our hands-on and collaborative camps. Led by experienced instructors, participants will create works of art, explore performance arts, embark on space exploration, delve into engineering marvels, or unravel science wonders through captivating experiments. Our camps cater to campers of all ages, promoting creativity and critical thinking. Join us this summer for an enriching STEAM experience that sparks curiosity & shapes future innovators.

SPORTS CAMPS

These camps offer a fun-filled sports environment with an emphasis on team work, sportsmanship and basic fundamentals. Part of the day will be spent on your camper's sport focus where they will focus on stretching, warm-ups, skill and drills, educational games and scrimmages. For the rest of the day, campers will experience all the other great activities the YMCA has to offer. Campers will create their next masterpiece in arts and crafts, explore nature and science, possibly take a dip in the pool and so much more.

CAMP ESTERO (BONITA SPRINGS)

Camp Estero Outdoor Day Camp is what summer should be: the fun and freedom of the outdoors while learning new skills and making great friends! Each week is filled with new activities to explore! Campers learn to respect and appreciate nature through fun adventures like: hiking, kayaking, wilderness projects and environmental education, arts and crafts, camp songs and many more surprises! Skilled Y camp staff teach teamwork and provide challenging, safe activities for each small group. Each camper will experience success-building skills that last a lifetime!

AQUATIC CAMPS

Have fun and keep cool this summer! YMCA Aquatic Camps are perfect for children of all ages. Each camper will spend at least two session blocks in the pool participating in a daily lesson, aquatic games and free swim, learning an important life skill. Campers are swim tested daily and placed in color-coded groups based on age and ability.

GYMNASTICS (VENICE)

Gymnastics programs at the YMCA range from classes and summer camps to competitive team. Learn and refine basic skills, improve your balance and coordination while gaining self-esteem. Practice bars, side handstands, beam routines, cartwheels and more. Gymnastics Camps are offered from 5 years and up.

TRAVEL CAMPS

Travel Camps take to the road with a combination of exciting field trips & activities in our camp facilities. Campers will enjoy new experiences by taking trips every day. Our trained camp counselors help to ensure every day is safe & supervised, so parents can rest easy knowing their young ones are in a secure environment. Trip destinations can include, but are not limited to, roller & ice-skating, historical destinations, indoor & outdoor amusement parks, pizza & movie day, swim destinations & much more. All travel campers should be dropped off at camp no later than 8:30am & can not be picked up early from any offsite locations.

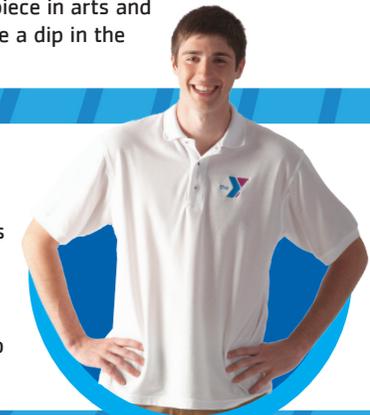

ADVENTURE CAMP (ENGLEWOOD)

In adventure camps, campers will spend the day climbing the alpine tower, rock wall and low ropes course while improving their teamwork and communication skills. Led by certified climbing instructors, this adventure of a week will have campers reaching for new heights! Part of the day will be spent in your camper's specialty focus. For the rest of the day, campers will experience all the other great activities the YMCA has to offer. Campers will create their next masterpiece in arts and crafts, explore nature and science, take a dip in the pool and much more.

TEEN LEADERSHIP

At the Y, we help youth set and achieve their personal and educational goals. They gain confidence as they recognize the Y as a place where they belong and can feel comfortable exploring new interests and passions. A unique program designed especially for teenagers and a careful balance of program components has been created to foster creativity, adventure, peer interaction, leadership skills, values and friendships that will last a lifetime.
